

Let's Talk COATESVILLE

The Brandywine Health Foundation wants to hear your voice.

Why Money Matters

During our final “Let’s Talk Coatesville” event, we’ll tackle the health challenges created by imbalances in education, income and economic opportunity in the greater Coatesville community. We’ll tap into community wisdom to identify the most challenging financial roadblocks to upward mobility and discuss viable solutions.

Discussion topics:

- Job security
- The importance of a living wage
- Education opportunities
- Financial literacy and management
- Language barriers to income
