

**Brandywine Health Foundation
Eastburn Community Service Award**

Community members are invited and encouraged to nominate a deserving Chester County resident to receive the Eastburn Community Service Award, presented each year in memory of Jane and Al Eastburn, both of whom served the Coatesville area as non-profit leaders with distinction.

With the encouragement and initial funding of Dallas Krapf and the Krapf Bus Co., the Eastburn Community Service Award was established in 2016 by the Brandywine Health Foundation's board of directors, in recognition of Jane and Al Eastburn's service to the Coatesville area through their leadership of various boards and community organizations over several decades, including Brandywine Hospital, the Visiting Nurses Association, the Coatesville Area Public Library, the YMCA, Chester County Chamber of Business & Industry, Coatesville Area Partners for Progress, and the Brandywine Health Foundation.
